REMARKS

Entry of the above-amendment is respectfully requested prior to examination of the application. The above application corresponds to a PCT application that was originally filed in Japanese. The above amendment revises the application as translated into English, and amended during the International Phase of the PCT filing under Article 34, to be in a format more closely corresponding to that customarily employed in US patent practice, and to eliminate multiple dependent claims.

Enclosed is a check in the amount of \$1,100.00 for the filing fee. No other fees are believed to be due at this time. The Director is authorized to charge any fees associated with this or any other communication, or credit any overpayment, to Deposit Account No. 50-1170.

Respectfully submitted,

Jay G. Durst (Reg. No. 41,723)
